YOUR SMART MOBILITY PARTNER

Mobility has become the new standard of the car industry. In tandem with the paradigm shift, Kumho Tire is preparing for an innovative mobility experience for the coming decades. Our business model goes beyond our tire business—where we have earned time-honored credibility and trust by countless customers, stakeholders, and global partners—into future-oriented, technology-based mobility products and services. Furthermore, an innovation thread will weave itself into our experienced know-how in technology. The resultant global top-tier future technologies will accelerate our drive to become one of the world's top 10 tiremakers again as we transform into a mobility business.
